

Terms and Conditions of Sale

The client/individual purchasing goods or services from GB TECHNOSYS LIMITED is subject to the following terms and conditions.

GENERAL WORKING AGREEMENT

This document defines the terms and conditions of our working relationship. All projects or services that GB TECHNOSYS LIMITED may be contracted to produce or provide for any CLIENT will be subject to the following:

WORKING/BILLING PHASES

Based on our experience with long-term design projects, we have found that it is mutually advantageous to handle each project in logical working/billing phases.

Concept revisions, extensive alterations, or a switch in marketing objectives sometimes makes it impossible to accurately estimate in advance the total cost of a project. Planning the work, cost estimating, and billing in several phases permits GB TECHNOSYS LIMITED or CLIENT to adjust for such revisions/or halt work before completion if a project is postponed or cancelled. Any cancelled project is billed only through phases and/or portions of phases that were actually completed by GB TECHNOSYS LIMITED. For each project, CLIENT will receive a proposal/estimate/fixed fee quotation outlining the project specifications and our proposed scope of services and working/billing phases. Each proposal estimate will contain a project budget, which includes estimated fees for professional services and separate itemized costs for anticipated out-of-pocket expenses.

We will begin work upon CLIENT's approval of the written estimate. Your approval (written or oral) will constitute an agreement between us.

PAYMENT/ESTIMATES

CLIENT agrees to pay GB TECHNOSYS LIMITED in accordance with the terms specified in each proposal/estimate. CLIENT will be required to pay 50% of the project cost before work can begin.

Unless otherwise specified, all subsequent balances due are payable upon art approval.

Interest on past due balances is 7% per annum. We reserve the right to refuse completion or delivery of work until past due balances are paid.

Estimate: Billing will reflect the actual costs incurred. Valid for only 30 days from date on estimate. Client requested changes will be billed additionally. The CLIENT will be notified of any price changes.

Fixed fee quotations: Will be subject to both parties agreeing on a specific design. Valid for only 30 days from date on quotation. GB TECHNOSYS LIMITED will not increase the agreed fees unless the CLIENT wishes to make changes to the agreed specification.

REVISIONS AND ALTERATIONS

New work requested by CLIENT and performed by GB TECHNOSYS LIMITED after a proposal/estimate has been approved is considered a revision or alteration. If the job changes to an extent that substantially alters the specifications described in the original estimate, we will submit a proposal revision memo to you, and a revised additional fee must be agreed to by both parties before further work proceeds. Author's alterations and other copy changes requested after layouts or mechanicals are completed are billed at standard hourly rates.

OVERTIME

Estimates are based on a reasonable time schedule, and may be revised to take into consideration your "Priority Scheduling" requests requiring overtime and weekends. Knowledge of your deadlines is essential to provide an accurate estimate. In addition, outside suppliers such as service bureaus charge a 100% to 200% mark-up on overtime after 5:30pm and weekends.

Your signature or that of your authorized representative, or email confirmation by yourself or your authorised representative is required on all mechanicals or artwork prior to release for printing or other implementation.

TELECOMMUNICATIONS

The CLIENT shall pay for all transmissions charges.

OVER RUNS AND UNDER RUNS

The CLIENT will accept over runs or under runs that do not exceed 10% of the quantity ordered on all jobs. GB TECHNOSYS LIMITED will bill for actual quantity delivered within this tolerance. If the CLIENT requires a guaranteed quantity, the percentage of tolerance must be stated at the time of quotation.
